

Troy Jackson

Maine – Democratic Senate Nominee

Candidate Biography: [Here](#)

National Security Record

The Far Left's Main Man

- [Touted](#) the DSA's backing, which vow to gut defense spending and close bases abroad.
- [Refuses](#) to disavow the endorsement of Hasan Piker, who [says](#) America "deserved" 9/11.
- [Stood](#) by Graham Platner's Nazi tattoo, the emblem of a regime Americans died to defeat.
- [Excused](#) Platner's disastrous controversies with a shrug: "people can change."
- [Refused](#) to condemn violent rioters from 2020, framing as justified unrest.

Morally Confused on Israel

- [Vows](#) to oppose all military aid to Israel, including for missile defense to save civilians.
- [Smears](#) Israel's October 7 response as "genocide" despite the claim being debunked.
- [Repeated](#) the allegation, even after Maine's Jewish clergy [called](#) it a corrosive purity test.
- [Claimed](#) Jewish Mainers won't call Gaza a "genocide" simply because they're Jewish.
- [Said](#) anyone who disputes the Gaza genocide charge lacks "eyes and a heart."
- [Pushed](#) Hamas' propaganda that Israel caused October 7 by "killing innocent civilians."
- [Accused](#) Prime Minister Netanyahu of being a "war criminal."

Hopelessly Misguided on Iran

- [Supports](#) defunding the U.S. military to force an end to the Iran campaign.
- [Calls](#) President Trump's campaign to deny Iran a nuclear weapon "ridiculous."
- [Pledges](#) he'd "put diplomacy ahead," presumably like Obama and Biden's appeasement.
- [Calls](#) the Iran intervention an "illegal war," ignoring constitutional powers.
- [Pledges](#) to try to block the President from protecting Americans from Iran's regime.

Undermining Maine's Security

- [Wants](#) to abolish ICE, hampering our ability to enforce our own immigration laws.
- [Excuses](#) illegal immigration as "part of Maine" in response to ICE crackdowns.
- [Backs](#) a fossil fuels ban, hampering U.S. energy security and increasing foreign reliance.
- [Supported](#) measures forcing higher energy bills and leaving Mainers less energy secure.
- [Downplayed](#) Maduro's narco-terrorism while Maine battles a transnational drug crisis.

POLARIS Verdict | *Despite his logger-populist image, Troy Jackson's record shows he lacks the judgment to defend Maine in the U.S. Senate. He runs with anti-American socialists, never misses an opportunity to excuse threats, and displays a shocking level of moral confusion.*
